

PRODUCTION OPERATOR VACANCY

Leeson Polyurethanes has a vacancy for a production operator to join our busy production team at our premises in Warwick.

Work involves manufacture of chemicals so the ability to operate accurately is essential. Some manual labour is required. No experience necessary as full training given but a forklift licence is required. See separate job description

A positive attitude is important. Must be able to work accurately while under pressure and time restraints.

38 hours per week working day shifts Monday to Friday.

Hours of work: 38 hours per week

Monday - Thursday 8.30am - 5.00pm

Friday 7.30am – 2pm with 9.30am – 4pm

Will be required to cover early and late shifts as required by the company with a week's notice.

22 days annual holiday + statutory holidays

Competitive Salary

Permanent role.
