

Bahrain Shopping Mall

The shopping malls in Bahrain are extravagant and colourful and the exterior to the Dilmunia Mall is no exception. The vibrant design using contrasting-coloured aggregates bound together with LeesonBound, is a feature throughout the complex. The mall is a hub of retail shops and restaurants as well as an ice rink, climbing walls and soccer pitches. It has installed the largest cylindrical aquarium in the Middle East, which is home to more than 2,700 marine creatures. The Mall of Dilmunia is a landmark destination for the Kingdom of Bahrain attracting visitors from all over the world.
